The screenshot shows a character in a blue robe and a chat window. The chat window contains the following text:

Trader Herbie:

My niece Greens? Yes, I treasure her like my own child. I looked after her after my brother, her father, passed away. She is a full grown adult now, but still has the innocence of a young girl.

... Ah, you mean Arden? A fine lad he is. Greens also thinks highly of him ... But my friend Arden is too cautious for his own good. Go at once and tell him that Greens also has feelings for him ...

A screenshot from the game World of Warcraft showing a chat window. The chat window is titled 'Chat' and displays a conversation between a player named 'Magister Greens' and a character named 'Aurilen'. The chat text is as follows:

Magister Greens:
 A book from Aurilen ...? Thank you.
 I didn't know that Aurilen had such strong feelings for me.
 He's always been good to me, and I've thought of him as
 kind ... But I already have someone that I love ...
 I will write a letter to Aurilen. I will say thank you for
 your kindness, but my heart has been given to
 another ...

The background of the chat window shows a character with long blue hair and a red and orange outfit, standing in a wooden structure.
