Grand Magister Arkenias:
So, you want to become a Mystic Muse? You've chosen a noble path, my child!
You'll undergo a process that transforms your Elven mind to one that approaches the realm of the gods! You'll receive the power sealed by the gods in the past that prevented Elves from developing their full potential!
"How can I get this power?"

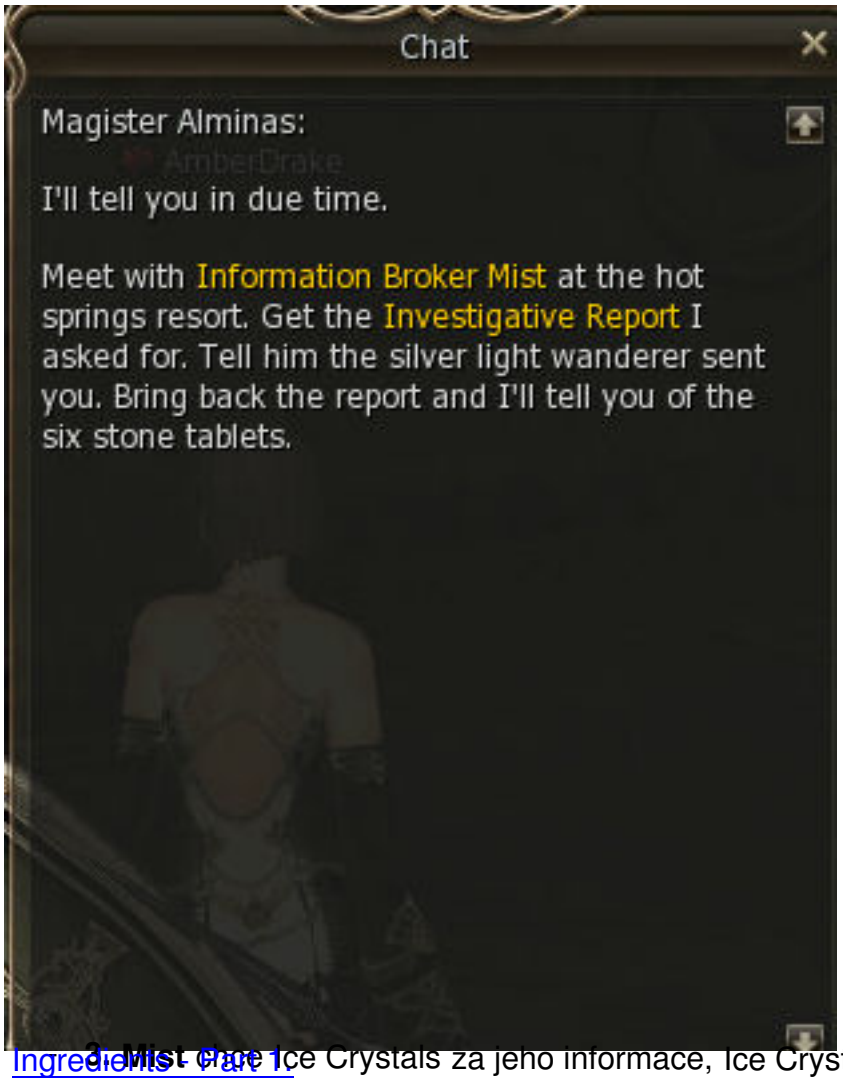

Chat
Grand Magister Arkenias:
The gods have sealed the power in several parts of the world. The Tablet of Vision is the form in which the power is sealed. You must absorb into your body all the information contained in the six stone Tablets of Vision throughout the world to obtain the power. Absorb the power from all six stone tablets, then come back to me... I'll transform you into a Mystic Muse... But, I must warn you... You've chosen a difficult path!
Are you sure you wish to become a Mystic Muse?
"I wish to become a Mystic Muse."

"What are you investigating?"

Thanks for the report. This merits further investigation.
To become a Mystic Muse, you'll need a Resonance Amulet for each of the six stone tablets. Use the amulets to commune with the tablets and your path will become clear.
Here's the first Resonance Amulet, take it to the Tablet of Vision.
"How will my path become clear?"

You say you fought with Allector, the fallen angel?
How could he have escaped the prison in the Ivory Tower? He must have had help. But who? It could only be ....
I shouldn't say, I need more proof. I have the Resonance Amulet, but it's unstable. You'll need the other fragment.
"How can I get it?"

Chat
Magister Alminas:
Go to the Ketra Orcs or the Varka Silenos to get the Divine Stone of Wisdom, a fragment of the Resonance Amulet.
They know of its powerful magic, but not its exact use. They'll reward the wisest of their tribe with it. You'll need to earn the trust of Asefa, chief shaman of the Ketra Orcs, or Udan Mardui, chief shaman of the Varka Silenos.
Which side will you choose?
The Ketra Orcs
The Varka Silenos

Pak půjdi k Varkům a spolu s **Ketra Orcs** musíš splnit tyto dva questy: **Wisdom** a **Mystic Muse**. Ty můžeš začít dělat už na **74.levelu**. Po jejich splnění získáš **Divine Stone of**

The Divine Stone of Wisdom! Good work.
My hunch was right. The only person who could have freed Allector is indeed the Grand Magister of the Ivory Tower! Never let your guard down, there are powerful forces trying to stop you!
Shall I combine the stones now?
"By all means!"

You've obtained the power of all the stone tablets! Good job!
What? Why are you looking at me like that? You want the truth, eh? Very well. What did Feyshar tell you? Oh well, no use crying over spilt milk...
Since I'm an Elf, I've always dreamed of being a top level wizard! You wouldn't believe what I've had to do just to get where I am now! But this isn't enough! I meant to stay on top forever! I couldn't allow anyone under me to grow stronger! That's why I tried to stop your class transfer...
But you were tougher than I anticipated! The Fallen Angel Allector tried to stop you but failed. At the last stone tablet, I tried to stop you myself, but that busybody Feyshar interfered... I could've taken on both of you lightweights!
"So why didn't you?"
