Urutu Chief Hatos:
Seer Livina has sent an urgent message. She says that the traitor Baranka is planning something suspicious! What's more, according to the scout's report, Baranka's followers are moving quickly to a new location!
Anyone who finds out what the traitor is plotting, and even better, puts a stop to the scheme, will receive a great reward from me, Urutu Chief Hatos! I don't care who it is!
Say you will help

Urutu Chief Hatos:
As I, Hatos, expected, the traitor is secretly communicating with other races!
Dekara Pa'agrio! Praise Pa'agrio! Bring death to the traitor of our race!
There is no way Baranka would send secret letters to only one place! There must be some letters that were sent to other places as well! Find the rest of them!
Say you will quit.
Say you will continue.
